

Friends of Island Park Sustainable Fire Community

Sponsorship Opportunities

The Island Park Sustainable Fire Community (IPSFC) has been providing wildfire education and supporting wildfire preparedness, planning, and implementation since 2013, and with the wonderful work of our volunteers and Island Park property owners we have made great strides in increasing wildfire awareness and keeping lives and properties from being damaged by wildfire.

As a local resident, vacation property owner, Homeowner Association, or partner we hope you have enjoyed the many benefits of your association with IPSFC such as the slash pick up and the free property evaluations. Now, as we watch grant funding that we have relied on for years decline, we are looking to you to help support our efforts to reach out to our friends and neighbors and help them better understand their wildfire risk and what they can do to mitigate that risk. Please consider becoming a friend of IPSFC and support us at any level that you can.

Annual Sponsorships run from January to December. Your Sponsorship donation is tax-deductible as a donation to IPSFC.
